### **DETAILED ACTION**

The Amendment, filed on February 28, 2005 has been entered and overcomes the rejection of claims 1,2, under 35 U.S.C. § 112.

Applicant's arguments filed regarding claims 1 and 2 have been fully considered and are persuasive. The rejection of the application has been withdrawn.

### ***Allowable Subject Matter***

Claims 1 and 2 are allowed over the prior art of record.

The following is an examiner's statement of reasons for allowance:

Regarding claim 1, the references of the Prior Art of record fails to teach or suggest the shadow mask having the combination of the limitations as set forth in claim 1, and specifically comprising the limitation of the taper size of the circularly shaped through-holes represented by a value of half the difference between the hole width at the end of the front side hole portion and the hole width at the ridge portion is within 30 to 40% of the thickness of the shadow mask.

Regarding claim 2, claim 2 is allowable for the reasons given in claim 1 because of their dependency status from claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
